

## Model G-FF (Wide Curb)

## Frost-Free Commercial Glass Curb Mount Skylight (Sloped Roof)

Artistic Skylights conform to and exceed test requirements of the following criteria: AAMA/WDMA/CSA 101/I.S.2/A440-17 (NAFS - North American Fenestration Standard / Specification for windows, doors and skylights)

Skylights are suitable for use on all types of slope roofs with minimum slope requirement of 3:12. Designed for mounting on 3" (76mm) curbs with flashing (by others), these units provide excellent performance in all geographic locations.

- Flashing kits available for asphalt shingle roofs
- Custom sizes are available upon request
